# INVITATION FOR NOAH-BERGE-CUP

To honor the memory and share the enthusiasm of Noah, a young team member of ours who died way too early, our club, NINERS Chemnitz e.V., is organizing the 4th Noah-Berge-Cup from 29th to 31st May 2026. It is a competitive tournament for male players under 12 or under 13 years. Teams from Germany and Europe are cordially invited.

Following last year's expansion of the Noah Berge Cup to include the age group U13, this format is also set to attract many young basketball players from all over Europe to Chemnitz in 2026.

The organizing club NINERS Academy is the youth academy of the international participating club NINERS Chemnitz. Around 400 children, youngsters and adult players are currently practicing in our club and apart from that the city is also crazy about basketball.

## OPINIONS

*It was just great to see so many children united in their enthusiasm for the coolest sport in the world. They fought like the big ones and were full of passion. And with such unique trophies, it was definitely worth it. And how wonderful that Noah's mum congratulated the winners in person. That's the spirit 🤝 We're looking forward to next year*

*We also had a lot of fun off the pitch, both cheering on the U12s and enjoying a barbecue together. Many thanks to Chemnitz for their excellent organisation and a tournament that many of the lads will surely remember for a long time to come!*
